Guilderland comes into

This year, with the completion of the new additions to the school's physical plant, is an especially appropriate time to stop and examine the growth of our school system in the past few years. Just three short years ago, the present seniors were the first class to enter the new junior high building. Now, they can look back and see the great progress which has taken place during their high school years.

This year our athletic teams have become powers in council, inter-council and tournament play. Who can forget such events as the football victory at Newburgh and the wrestling tournaments!

New organizations, representing an ever-widening field of interests, have been created. And new traditions, notably Homecoming, have been initiated.

The school has added new courses and teachers in striving to keep abreast of new techniques and an increasing enrollment.

This year's Tawasenthan records the progress of our school in academics, athletics, and activities. Looking through its pages we can proudly say, "Guilderland Central High School has come into its own."

DISTRICT SUPERINTENDENT

As Superintendent of Schools, Mr. Farnsworth is responsible for the administration and supervision of the six schools in our district. He is the executive officer of the Board of Education and administers district policy formulated by the Board.

Mr. Farnsworth came to the Guilderland area in 1958 from Canandaigua where he was principal of the public high school for ten years.

He received both his Bachelor's and Master's Degrees from Syracuse University and has done extensive graduate work in Education and School Administration.

Under Mr. Farnsworth's guidance our school system has grown both in physical size and educational stature. Today Guilderland rates as one of the finest school systems in the state.

SCHOOL BOARD

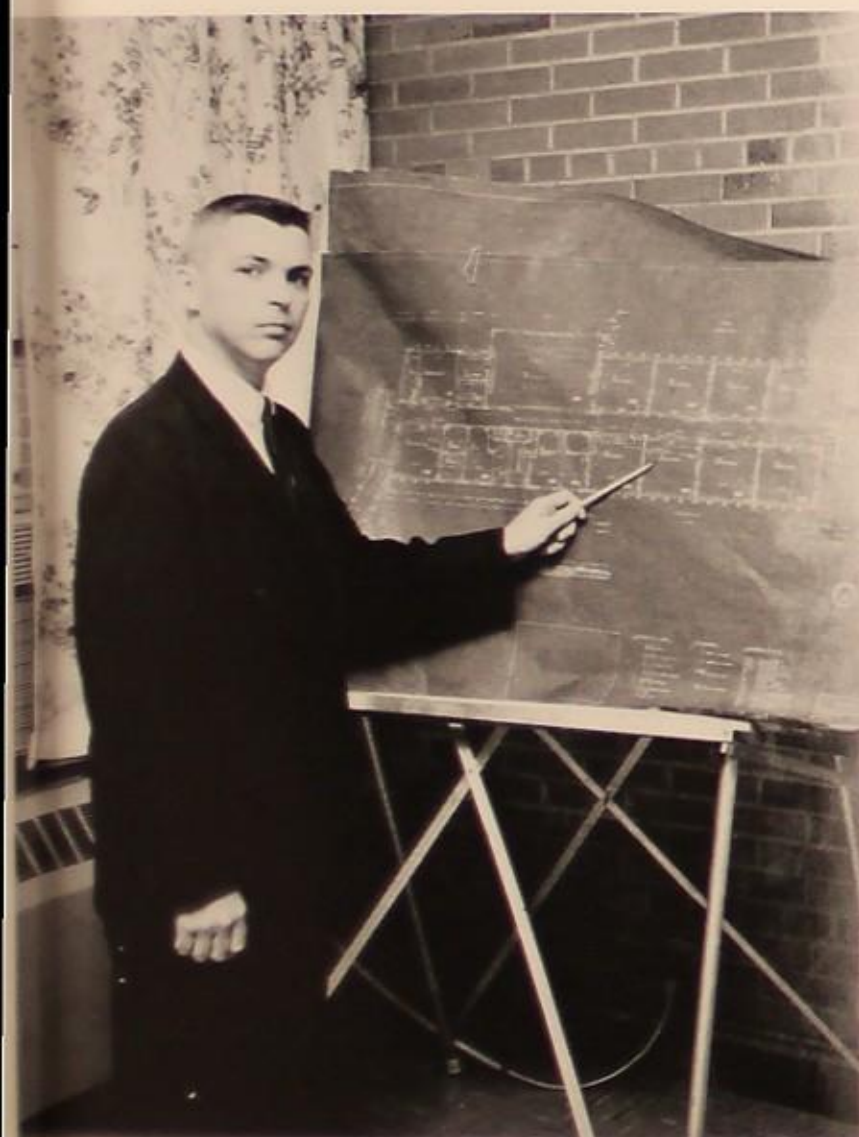

SEATED: Ernest Bachand, Mrs. John Reismeyer, Mrs. Lloyd Briggs. STANDING: B. Jack Carman, Donald W. Selee, A. Burton Hahn, Walter F. Fick, Emmett T. Fassett.

When we take time to think about it - our Board of Education carries much of the responsibility for operating our school system. As members of the Board they get very little recognition for the many hours spent working hard for our district.

BUSINESS MANAGER

We seniors, and the entire student body, would like to say "thank you" to all you who have helped contribute so much during our many years at Guilderland.

Mr. Shantz illustrating plans for new wing.

Mr. Richard Shantz - Business Manager

Mr. Shantz came to Guilderland in November, 1964, from the Fonda-Fultonville Central Schools. Holding a Bachelor of Science and Master of Science Degree from the State University at Albany, he is responsible for all budget procedures, purchasing, non-instructional staff, and the data processing operation.

Mr. Charles J. Ciaccio

PRINCIPAL'S

MESSAGE

In all ages, adults have bombarded the young with goals - goals to live by, goals to reach old age, goals to achieve happiness. All too often these goals have been of a purely personal nature. Perhaps what is needed are goals of a universal nature - applicable to everyone.

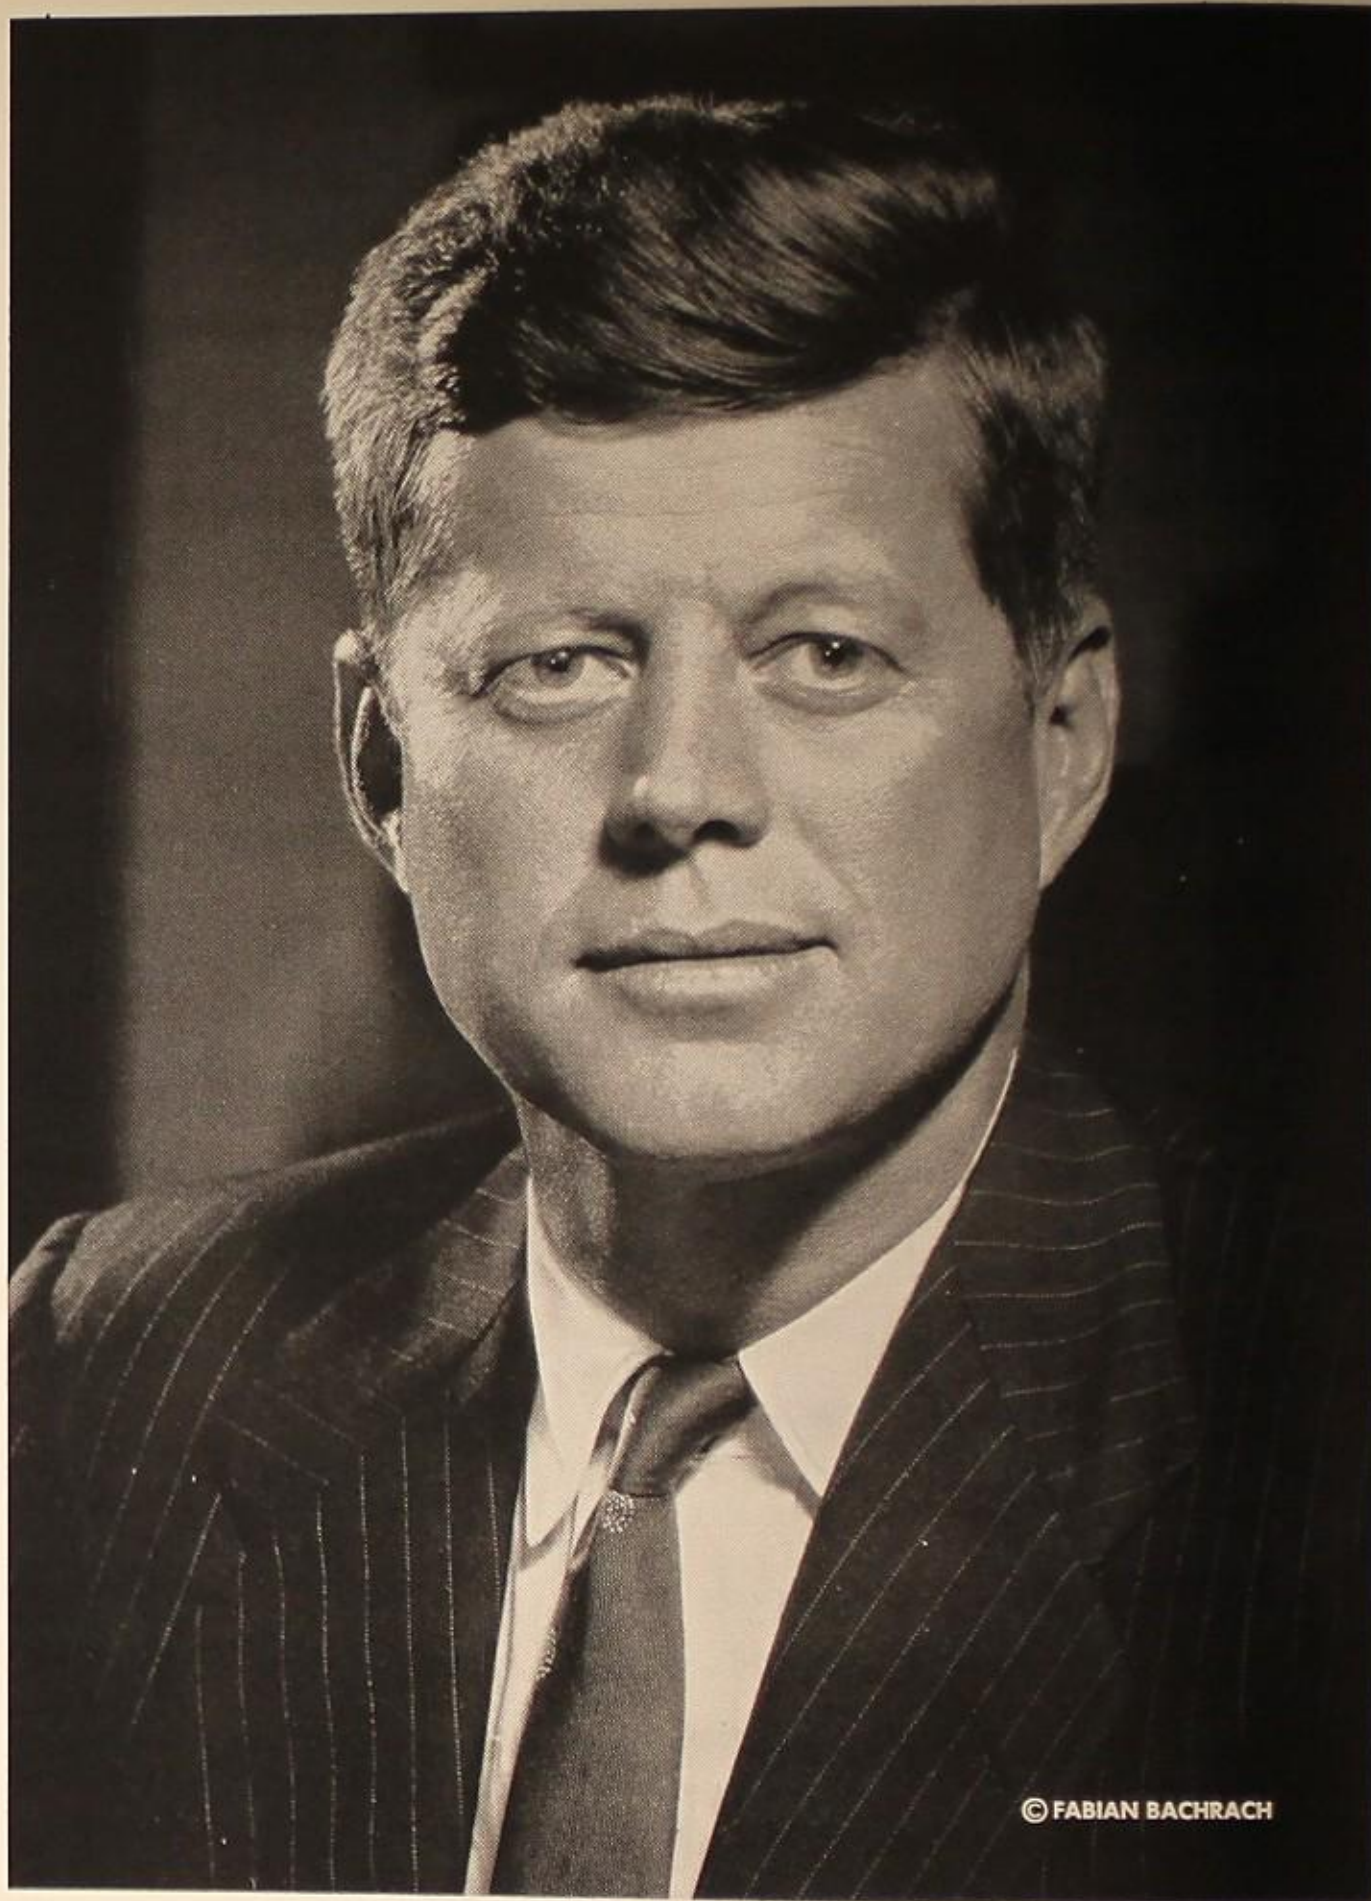

Our most pressing needs today are not those in the fields of rocketry and new gadgets but for people without disease, greed and poverty, governments without war, graft and overt national pride, nations, cities and towns without crime and violence.

These are needs toward which I direct you and your goals. Only to the degree these goals are accomplished will this be a better world.

A proud Mr. Ciaccio

JOHN F. KENNEDY

He wasn't with us long -
But the ideals he stood for have been with mankind for as long as
men have dreamed of being free, equal and endowed with dignity.
He was young - like us.
He, like us, was filled with energy directed toward fulfilling the needs
of the depressed and downtrodden.
He never lost the vigor of youth to right the wrong, to put forth the
new idea, to do battle for those ideals he held to be important.
The torch he carried has been passed to others - whether it burns
brightly is up to us.

HIGH SCHOOL PRINCIPALS

Before coming to the Altamont High School in 1953, Mr. Ciaccio taught Social Studies and was department chairman at Camden Central, Camden, New York, for three years. He stayed with us as a Social Studies teacher and chairman until 1956 when he became assistant Principal. In 1960, he became our High School Principal. Mr. Ciaccio received his A. B. degree in History and Mathematics from Hobart College, and his M. A. degree in History from New York University. To receive his teacher and administrative certification, Mr. Ciaccio did extensive work at State University College at Albany.

Mr. Charles Ciaccio
PRINCIPAL

Mr. Donald Carlson
ASSISTANT PRINCIPAL

Mr. Carlson came to Guilderland in 1957, from Wakefield, Massachusetts, where he taught for six years. He had already received his A. B. and A. M. from Boston University and his M. Ed. from the University of Massachusetts. First he served as a teacher in the history and math departments and then as chairman of the math department from 1958 to 1961. In 1960, he became assistant principal. His many duties include discipline, attendance, transportation, building maintenance, and supervision of adult education.

HISTORY

The goal of the Citizenship Education department is to prepare young adults to become responsible citizens. To benefit from the knowledge of man's past mistakes, from his achievements and from his institutions is the purpose of studying history. World history is taught in the sophomore year and American History is taught in the junior and senior year. The Staff includes:

Mr. Andreone, Asian History and History 12;

Mr. Babcock, History 11 and 12; Mr. Sengenberger,

History 11 and 12; Mr. Kavanaugh, History 11; Mr. Yager, History 10 and Political Science; Mr. Kampfer, History 10; Mr. Rothstein, History 10; and Mr. Pryor, History 11.

MATHEMATICS

Department Head
Mr. Robert
Stimson

The high school Math department consists of five teachers, each prepared to teach any of the courses offered. The program is divided into 2 separate groups: a course for those who will terminate their study of mathematics in high school and courses for those who will continue in advanced mathematics. Although individual courses are the majority, attempts are continually made to integrate the different areas of math whenever possible to provide students with a strong, fundamental background and understanding. The staff includes: Robert Stimson, Department Chairman; Mrs. Irene Kent, Math 10,11,12; Mr. Arthur Bourdeau, General Math, Int. Alge., Math 11; Mr. Peter Griffin, General Math, Math 12, Math 13; Mr. Victor Montuori, Math 9,10,11; Mr. Robert Niles, Math 10,11.

ENGLISH

In order to obtain a thorough background in English Grammar and Literature, each student is required to take four years of English. The English staff includes: Mr. Woodrow Quinn 11,12. Mrs. Margaret Knouse, 12. Mr. Allen Monroe, 10,11. Mr. Robert Scrafford, 11. Mrs. Gail Anderson, 10,11. Mr. Lyle Warner, 10. Mr. Hugh O'Connor, 10. Miss Alice Comstock, 10,11. Mrs. Judith Rothstein, 11,12.

Mrs. Anderson and her class are engrossed in English.

INDUSTRIAL ARTS

No, Chuck, that's a wood chisel not a lathe cutter.

Industrial Arts is intended to provide a background of information, skills and appreciations in connection with industry. The various courses presented to students interested in this field are wood-working, metal working, ceramics, transportation, and printing. Shop activities are carried on by groups and individual construction activities, class discussion, reports, demonstrations, designing, problem planning and field trips.

The staff includes: Mr. Munson, Mr. Kline, and Mr. VanDeCarr.

FOREIGN LANGUAGE

The knowledge of a foreign language is assuming ever increasing importance in today's world. Guilderland's language department is well prepared to teach the student the basic skills necessary in mastering a language, these being basic vocabulary, oral comprehension, and language patterns. Once these have been mastered new and more advanced skills, are introduced such as extensive reading and writing of the language, oral skills, and culture. To enable students to become more familiar with the language and its application a foreign language laboratory has been utilized by the department.

The staff includes: Mr. Morris, French, Russian; Mr. Bibbins, French; Mr. Cicero, Spanish; Mrs. O'Brien, Latin, Spanish; Mrs. Westcott, French; and Mrs. Odenkirchen, German.

Mr. Cicero gives a secret pizza recipe in Spanish.

MUSIC

The band, under the direction of Mr. Gresens, provides listening entertainment.

For the musically inclined student, Guilderland presents an exceptional music department. Musical organizations such as the Choir, Dance Band, Orchestra, and Concert Band give the student an opportunity to try all types of music.

The staff includes: Mr. Wagner, Mr. Gresens, and Mr. Goldstein.

SCIENCE

Offering Biology, Advanced Biology, Chemistry, Physics, and Advanced Physics, Guilderland's science program seeks to satisfy the increasing demand in the fields of science. Not only does the program provide a rich background for those who plan more advanced science work in college, but it also provides an understanding of the place of science in our culture to those not continuing their education in science.

The staff includes: Mr. Dunham, Science 10 and Advanced Physics; Mr. Erwin, Physics; Mr. Burda, Chemistry and Biology; Mr. Utegg, Chemistry; Mr. Knapp, General and Advanced Biology; Mrs. Munson, Biology; and Miss Dodge, Biology and Science 10.

Atmosphere--Huh, kids!

a rich treasure of experiences . . .

Two of our lunches, Ed?!

Three members of the Senior Class gift committee study a wax model of a bronze sculpture to be given to the school.

Mr. Robert Blood, well-known award winning sculptor, holds a full scale segment of the proposed piece. In the background can be seen a sculptured candle holder which shows the type of finish to be used on the Senior Gift. It is a built up finish of bronze which will be treated with acid to give a soft, aged look.

Our sculpture is based on a growing seed theme to represent growth. The decision to commission Mr. Blood to create an original piece of sculpture for a gift was in keeping with our class policy of donating towards a permanent art collection for the halls. To date money has been given towards two oil paintings and a watercolor.

Here, pussy, pussy, pussy.

Scholars enthusiastically

These seniors have maintained the ten highest averages in a class of 216 students. Not only do they deserve individual recognition, but also merit for the outstanding contributions they have made to the school. While helping to develop and improve the school's scholastic record and standing, these students have led the rest of the senior class in many accomplishments.

The Junior Class

The Junior Class holds much promise for the future of G. C. H. S. The members of this class are conscientious and energetic. They fully support every school function. Under able leadership they have successfully completed a magazine drive and reached a high total. Juniors initiated a new type of dance at G. C. H. S. - the Sadie Hawkins Dance. They also assisted in the formation of the new Ski Club.

After days, weeks, and months of preparation, the Junior Prom was held. With an Arabian Nights theme, the G. C. H. S. gym was transformed into Ali Baba's jewelled tent. Decorations, including murals depicting scenes from the famous legend, created an authentic atmosphere of foreign enchantment.

The Juniors face the coming year with confidence that it will be their best.

The class offices are held by; Sally Wells-Vice President, Mary De Groff-Secretary, Bill Rapp-President, Tom Ralston-Treasurer.

The Sophomores

The Sophomore Class has contributed new spirit and enthusiasm to our school. With its unique way of having fun, it has added a spark to school spirit. It turned out in full support for all school-sponsored activities. The class joined as a group to place its efforts behind its annual project, the candy drive.

The Sophomore Class dance, The Roaring 20's, was a highlight of class social life. With its silhouette motif and gay atmosphere, the dance proved enjoyable to all.

The largest class to enter the senior high, the sophomores feel that they will have continued success.

The class officers are; President-Gail McNiven, Vice President-Ron Fairhurst, Secretary-Bonnie MacDowell, Treasurer-Betsy Heller.

1963 GOOD YEAR

Under the guidance of Coach Fred Field, last year's team combined a bevy of individual talents into a smoothly operating organization. The long strong arm of Pitcher Dick Broom kept opponents' bats relatively silent while his own big bat contributed an extra punch to match the heavy timber supplied by John Cooper, Wally Kross and Arnie Skogstrand. The constant clutch hitting punch was supplied by Bob Batters, Bill Stillwell and Milt Crans. The Dutchmen captured second place with a 9-5 record.

Greenfield.

Last year's track team was the best in the school's history, with a 7-3 record. It was a year when great efforts by the team set eight new records. Individual marks went by the boards in the half mile, mile, two mile, high hurdles, discus, shot put, and the hop step and jump. The medley relay team and the 880 relay team also established new records.

Kent Spring, Dick Patterson, and Rick Rowley were the distance runners who set records. Barry Egnell and Dick Tarullo were outstanding as they set marks in the discus and the shot put. Rick Frost took a big hop, step, and jump and set a new record. Leaping over the hurdles, Jeff King set yet another record.

The team finished third in the Suburban Council Meet, while finishing second in the Class B Sectionals at Hudson Falls. All the boys should be proud of their team.

John hands off to straining Dave Wilkins in the 880 relay.

This year's cross country team proved to be the strongest in the school's history. Compiling an 18 win and 4 loss record, the Dutchmen Harriers captured a trophy and three bronze medals. Co-captain Rowley captured the Milne Invitational Meet at Washington Park in a thrilling finish and set a new course record. Co-captain Dave Van Heusen and John Spring finished in a dead heat to give GC a victory over arch-rival Bethlehem. The Dutchmen were runners-up in the Cobleskill Invitational run in which over 40 teams competed. Rowley, Spring and Van Heusen won bronze medals to help give Guilderland the second place trophy. In the Suburban Council Run the Harriers placed third in a field of eight strong teams. In the last meet of the season Tom Lamme established a school record on the tough Thatcher Park Course to cap a highly rewarding season. Coach Kampfer, pleased with this year's success, looks forward to an equally successful 1964 season with eight runners returning.

The 1963 grid season at Guilderland marked the emergence of the school as a real factor in area football powers. The team ended the season with a fine 6-1-1 record but many would feel that even this fine record did not do justice to the actual strength of the team.

This team was, for the most part, the team that played together as freshmen four years ago. In the previous two seasons, it was molded into an efficient unit under the leadership of the coaching staff. It was primarily a senior dominated team but tremendous contributions were received from the underclassmen of the squad.

The highlight of the season was the tromping of Newburg Free Academy on their field. Recognition was received by the team from many area newspapers having an interest in the pairing of these two distant teams.

Arnie Skogstrand achieved High School All-American fame in the leading of the team and with a total of 107 points set a section 11 record for points scored in a single season. Dick Patterson was selected as an honorary captain in the absence of the other captain, Craig Peters, who was injured at the time. A final tribute was paid to Skogstrand by his election as the most valuable player from a field of several outstanding football players on this championship team.

For Guilderland's first year with a soccer team in the Suburban Council, the Dutchmen are off to a flying start. Winning fourteen and losing only two the little Dutchmen won the league championship with hustle and drive. Losing only by slim margins to Shaker and Scotia Glenville, Coach Snyder's "round-ball booters" were undefeated on their home field.

The Dutchmen compiled an overall 10-8 win-loss record and were 7-7 in the league. Mick Walas and Denny Empie led the team with their consistently high scoring. Tom Miller and Denny Gibbs supplied most of the rebounding. Defensive ace Milt Crans held many a high-scoring opponent to a low total. The season's highlight was the 58-50 upset of league champ Bethlehem. Senior co-captain, Denny Empie, sparked the team with an ideal display of playmaking, shooting, and perhaps most of all, sportsmanship.

CHEERLEADING

VARSITY CHEERLEADERS: Camille Briggs-co-captain, Alison Calkins, Pat Young, Laurie Knapp, Cindy Armstrong, Eileen Cenci, Angie King, Carole Chalmers-captain.

Red and White fight fight! . . .

This year the varsity cheerleaders cheered our football team on to its first Suburban Council Championship. They inspired school spirit by making posters and putting them up throughout the school before each game. During the basketball season the JV and Varsity combined to cheer the teams through another exciting season.

JUNIOR VARSITY: Bonnie MacDowell - co-captain, Lorna Moore, Darlene McFarland, Jane Kent, Pat Olsmitt, Mary Halsdorf - captain, Barb Polsonilli, Ann Benjamin.

BOWLING

FIRST ROW: Tom Gunther, John McDermott, Ed Frieble, Al Barcomb, Charles Fitzpatrick, Bob Klefbeck. SECOND ROW: Bill Korn, Gary Toomer, George Sherman, John Westervelt, Gordon Clichman, Bill Westphal.

The Varsity bowlers finished second only to mighty Colonie for the best Guilderland showing on the lanes ever. It was a close race all the way between Guilderland, Colonie, Niskayuna, and defending champ Columbia. The team was led all year by junior Bob Klefbeck, and seniors John Westervelt and Gary Toomer. Westervelt finished with a 180 average with Klefbeck and Toomer hot on his heels with averages in the high 170's.

In the Suburban Council Round Robins at Colonie it was a hectic day of crucial spares. In the end, only 12 pins separated the first two - Colonie and Guilderland. John Westervelt with a high single of 223 and Gary Toomer with a 620 triple led the Dutchmen pinmen. Their second place Suburban Council finish capped an outstanding bowling season.

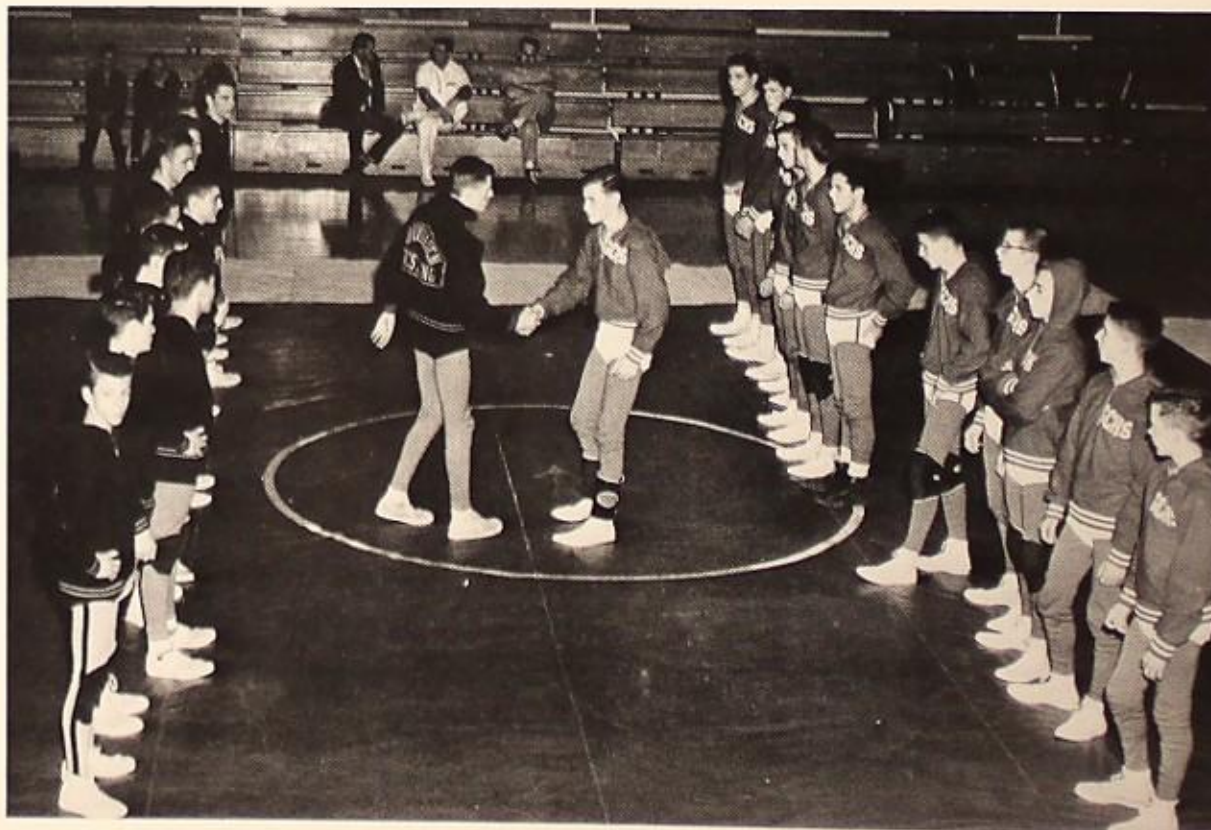

GIRLS BOWLING, FIRST ROW, left to right: Sue Clifton, Judy Gates, Sue Baker, Nancy Cramer, Doris Vojnar, Pat Cromick, Vicki Tisdale, Sharon Dascher, Linda Ferraioli, Sally Mudge. SECOND ROW: Nancy Pratt, Laura Rapant, Ricki Benjamin, Ellen Kelly, Nancy McNichol, Linda Russel, Marilyn Smith, June Robinson, Barb Leonardi. THIRD ROW: Judy Nowak, Sandra Tardiff, Nancy Deveno, Marilyn Hoose, Kathy Shaughnessy, Kathy Rosenberger, Mary Deveno, Barb Sparks, Sally Wells, Linda Van Patten, Cindy Unser.

WRESTLING

FIRST ROW, left to right: Larry Peterson, Jerry Schuff, Herb Scherzer, Dave Ditton, Ron Reinemann, Ray Greene. SECOND ROW: Coach Wyld, Rick Rafferty, Dick DeBenedetti, Dick Tarullo, Lloyd Cheny, Tony Dastoli, Bill Rapp, Paul Hendrickson. THIRD ROW: Ron Hellijs, Manager, Joel Eisenhandler, Manager, Ken Asch, Tom Saddlemire, Ray Irwin, Mike Dagostino, Bob Duane.

This was a banner year for wrestling. The varsity matmen took the Albany Christmas Tournament Championship, were runners-up in the Suburban Council and Section II Class A Wrestling Tournaments and had a 7-3 Dual meet ledger. In the Christmas Tournament Herb Scherzer, Dave Ditton, Bill Rapp, Paul Hendrickson, and Dick Tarullo placed first to spark the Dutchman win. Bill Rapp and Dick Tarullo were Suburban Council champions in their weight classes, and Bill was also Section II "A" champ. Perhaps, the most thrilling match of the year was against powerful Colonie, where the Dutchmen eeked out a narrow 23-22 victory. That win marked Guilderland's first conquest of the Red Raiders. The team's phenomenal success can only be attributed to the fine coaching and dedication of the team.

TAWASENTHAN STAFF

The members of the Yearbook Staff, with the aid of Mr. Arthur Jewell, worked long and diligently to put together what we believe to be the best Tawasenth ever. We will always remember the late hours and multitude of arguments while working at each others' houses as the approaching deadlines found us still going strong. But the many hours have paid off, and now we can see the rewards of our efforts.

THE GUILDERLAND JOURNAL

a diary of school life.

Under the advisement of Mr. Donald Kline, the Guilderland Journal has taken on a new format this year. The 1963-64 issues introduced the students to many of the antics of their fellow students. Lots of names and news were mysteriously detected and revealed to the eager readers of the Journal. The reporters worked hard at writing articles of interest and wide variety. The sports coverage was exceptional and we had many more photographs than ever before. The staff has taken great pride in its successful changes and its ability to excel in journalism.

The Student Council, the governing body of the school, consists of homeroom representatives and officers elected by the entire student body. The organization strives to give us, the students, a happier atmosphere in which to prepare for the future. Therefore they have placed a suggestion box to which all are invited to contribute their opinions. Student Council greeted Ernesto, our Chilean student, with a dance in his honor and provided for the school play, "Take Her, She's Mine!" The treasury provides funds for the A. F. S. student.

NATIONAL HONOR SOCIETY

National Honor Society strives to further its ideals of character, scholarship, leadership and service. Students of the sophomore, junior, and senior classes are chosen for membership and inducted at the Banquet in March. Members sell candy, sponsor the Annual Beatnik Dance, and the Class Night activities to raise money for their trip to the World's Fair and for the Scholarship Fund.

ERNESTO RIQUELME A.F.S. STUDENT FROM CHILE

Ernesto explains his native land at the Foreign Student Dance.

This year's American Field Service Exchange Student at Guilderland, Ernesto Riquelme, was a welcome addition to the school. His ever-present, impish smile revealed his fun-loving nature.

His enthusiastic participation in all he undertook, especially Key Club, proved Ernesto to be as dependable as he was personable. His comical presence at the many parties of our senior year greatly added to the typically wild atmosphere enjoyed by us all. His spontaneous antics viewed by all during lunch period will undoubtedly be missed by every one next year.

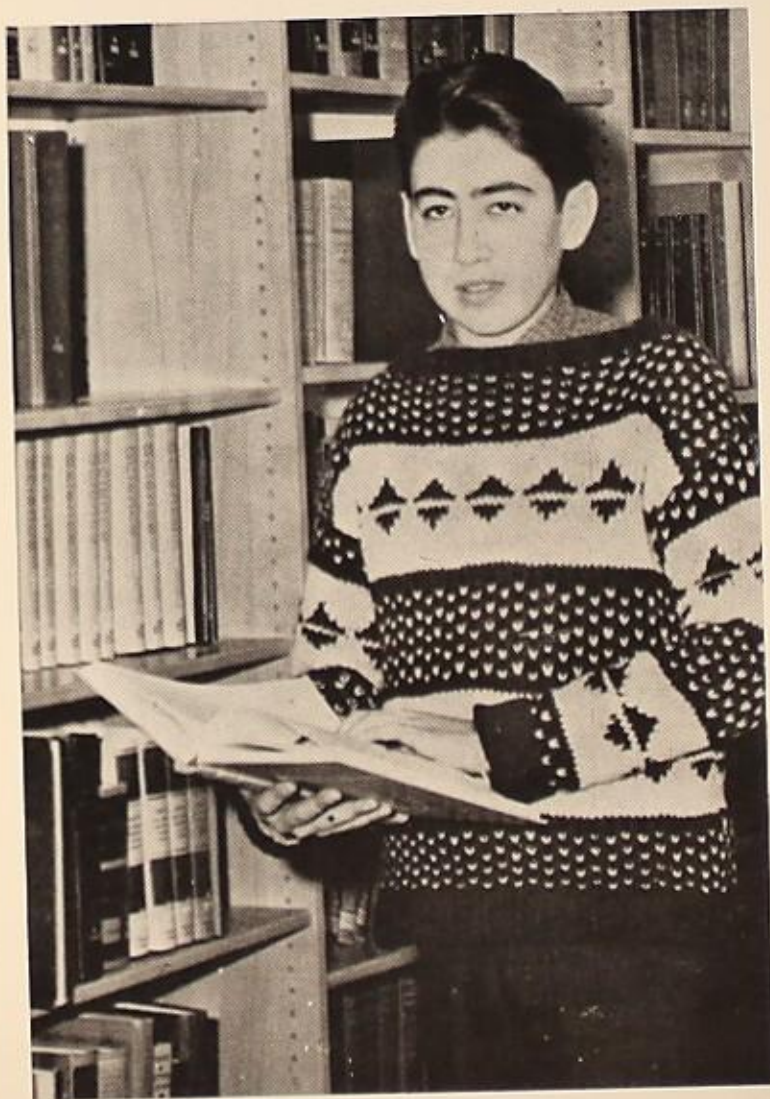

Our small, dark-haired "amigo" came from Los Andes near Chile's capital city of Santiago to live with the Eisenhandler Family. At home he lives with his mother, an English teacher, and an older sister.

Ernesto's personality has made him able to fit in easily with the academic and social life of the American teenager. The following statements shows us that Ernesto has really become one of us:

"It was on the twenty-fourth of July 1963, the sixteenth anniversary of my birthday, when I received the letter with the news that I had won the scholarship and would come to the United States to live with a family and attend a high school. I was so happy that I thought the day of departure would never arrive, but it did. In a short time I found myself flying to a country in which I would have to apply all my knowledge of English to make myself understood.

"I thought that the first few days would be the hardest, but I was mistaken. I found the people so friendly and understanding that the hardest things seemed so easy, and I started feeling at home at once.

"Now, time has passed, and I have had many new experiences and have met lots of friends. But, soon the day will arrive when I will have to say good-bye to all of them. For me, this year was the most wonderful in my whole life. I will always keep many pleasant memories of all the Dutchmen because they have been such good friends to me."

KEY CLUB

Key Club, the boy's service organization sponsored by Kiwanis, carries out many worthwhile projects. The opening months of school find the members working at football games and with school pictures. This year the organization sponsored a play as well as the Alumni Dance and Talent Show. In the spring comes Party Night and the Key Club Picnic. Key Club also sells baked goods and serves at concerts and banquets.

THE MUSIC DEPT. OF G.C.H.S.

The Music Dept. of GCHS provides the student body with a variety of musical events during the year. The choir, concert band, Dance Band, and orchestra all perform numerous times at concerts and other functions. Together with the individual music lessons and classes, the department provides a constant learning experience to the students.

CHOIR

The choir under the leadership of Mr. Richard Wagner performed four times during the year. They had a concert again at the National Savings bank in December. The combined Christmas program with the orchestra was a new undertaking. On Palm Sunday, they sang the Bach motet "Jesu Priceless Treasure" and other selections. The final concert was the spring concert in May.

BAND

The GCHS band, under the direction of Mr. Herman Gresens, is a vital asset to the school. Besides its regular concerts, it performed during the fall at all home football games. It also gave a concert at the Palace Theater in Albany and contributed to the Cerebral Palsy Telethon.

"On Broadway" was the theme of the Junior Prom of the Class of 1964. Traditionally, each junior class tries to exceed the previous junior class' efforts to make the junior prom exceptional and one of the class' outstanding high school memories.

From the rafters of the gym hung signs representing the Pepermint Lounge (someone forgot the third P), the CopaCabana, the Hotel Astor, the Automat, and many other unforgettable and impressive decorations. The sparkling lights of Broadway, New York City, had come to G. C. H. S.

Over the entrance was the marquee depicting our theme "On Broadway" which gave the entrance the appearance of being a gala premiere opening. Chairman of the prom was John Spring, who was ably assisted by committee chairmen Pat Young, Candy Ether, Herb Scherzer and many other volunteers.

GRADE 1
WESTMERE ELEMENTARY SCHOOL
ALBANY, NEW YORK
1956-57

The Tawasentha has shown Gunderland as a school to look upon with pride, both as a student and an alumnus. The underclassmen have other chances to make their school's reputation even greater and to mature with it. The seniors can now look back and evaluate their growth which accompanied that of GCHS and hope for the future betterment of all.
